EDUCATION

Budge Budge Institute of Technology

Bachelor of Technology in Computer Science and Engineering

GPA: 8.25

Kolkata, India

August 2022 - June 2026

BBIT Public School

Senior Secondary in Science

Kolkata, India

April 2020 - March 2022

EXPERIENCE

Google Developer Groups On Campus

Cloud Lead

September 2024 - Present

- Spearheaded cloud learning initiatives by organizing and leading hands-on workshops, study jams benefiting over 60+ students developers.
- Mentored student developers in building and deploying cloud-based solutions, fostering a culture of hands-on learning and innovation.
- Proficiently utilized and demonstrated practical applications of Google Cloud Platform (GCP), AWS and Azure services.

Pinnacle Labs

Web Development Intern

Apr. 2024 - Apr. 2024

- Learned best practices in web development, including version control with Git.
- Enhanced coding skills through practical projects and real-world applications.
- Gained experience in project management tools and methodologies.

PROJECTS

To-do Lists | [Github](#) | [See Live](#)

HTML, CSS, JavaScript

- Created a simple and interactive to-do list application to help users manage tasks efficiently.
- Add new tasks with a simple input form.
- Mark tasks as completed with a checkbox.
- Remove tasks with a delete button.
- Persist tasks using local storage, so data remains after page refresh.

Admission Form | [Github](#) | [See Live](#)

Python, MySQL

- Developed a web-based admission form system to streamline the application process for students.
- Dynamic admission form with various fields (name, parent's name, dob, gender, contact number, etc.).
- Validation of input data (e.g: email format, all fields required, etc.).
- Stores applicant's data in MySQL and can be modified the data anytime.

TECHNICAL SKILLS

Languages: Python, Java, C, C++, JavaScript, HTML, CSS

Frameworks / Libraries: Tailwind CSS, React

Platforms / Tools: Github, VS Code, MySQL Workbench, Google Cloud Platform

Databases: MySQL, DBMS, MongoDB

ACHIEVEMENTS

- Secured **AIR-48** in the **League of Errors** coding competition at Budge Budge Institute of Technology, organised by Coders' Club in collaboration with Coding Ninjas.
- Achieved **Champion Milestone** in Google Cloud Arcade Program 2024 (July - December).
- Participated in the **TATA Crucible Campus Quiz 2024** organised by the TATA group.
- Successfully completed **TCS iON Career Edge - Young Professional** Course provided by TCS.
- Successfully completed **Ninja Slayground 21-Day Coding Challenge** from Coding Ninjas.
